I know... and you're probably dealing with a whole lot more than just FL, which is extremely complicated in and of itself!

I think we are good since Dave already signed and approved- would Dave's staff be the ones to put the final version in CMS, if that's necessary? I think we're off the hook since Mike T. is sending it over to OP now. I'll let you know if we get asked to do anything else ☺

Best,  
Whitney

Hi Mike,

Please send this signed non-significance determination to OP. It urgently needs to get to OMB for feedback/concurrence today, and should not be batched in their normal process. Please copy me and Jess when you send it to your OP contacts. Jess and I will be alerting OP management later today due to the urgency of this item.

Thank you,

Janita
